Taiba for Electrical construction Co.

TAIBA means

Professionality
Just in Time
High Quality

With
Speed performance & precise execution

Introduction

Taiba Electrical Construction Co. means:

The Art of Electrical Construction, High Quality, Just in Time, Professionality

- Form the concern of the upper management to raise the Employees Technical & Official skills and to satisfy the customers' needs.

The company managed to have several international certificates to raise the mentioned skills and during the last year the company made its best to have these certificates.

- 1- Professional project management (PMP) from California institute – U.S.A.
- 2- Quality Management System (ISO 9001:2008).
- 3- Health and Safety Management System (OHSAS 18001:2007).

History:

TAIBA was established in Feb. 2008 in Egypt; establish by **Eng: Waleed Othman** the Elec. Construction manager of (Hitachi plant) for 10 years in Elec. Construction & Elec. Maintenance in the field of industrial planets (Iron & Steel, Power and Gases)

Main Office Data

Legal Name : Taiba for Electrical Construction
Country / Region : Egypt / Alexandria
Telephone / Fax : + (203) 426-5113
Web Site : www.taibaelec.com
Email : taiba@taibaelec.com
Address : 10 Mostafa Kamel St. Smoha, Alex.

Contact Person

General Manager

Name : Eng. Waleed Othman
Email : waleed_othman@taibaelec.com
Mobile : 012/5443600 - 010/5360769

Scope of Work

Mission:

Heavy industrial plants Elec. Services (Installation and maintenance)

Activities:

- Electrical installation include all Elec. Activities (equipments ,cable laying(instrument, low voltage , medium voltage & high voltage cable),cable connection , instrument installation & calibration, cable trays , conduit pipe...etc)
- Elec. Maintenance (emergency and major shut downs)

Work classification:

Electrical Installation & maintenance for:

- Steel plants
 - Direct Reduction (DRP)
 - Steel Making (SMP)
 - Rod / Bar Mill plants
 - Continuous Casting (CCM)
 - Flat Steel (FSP)
 - Utility
 - Services
 - Mineral Jetty & Handling System
 - Dedusting & Fume Systems
- Power plants
- Material handling systems
- painting & chemical plants
- Water treatment
- environmental preservation systems

Previous Projects

Industrial Field

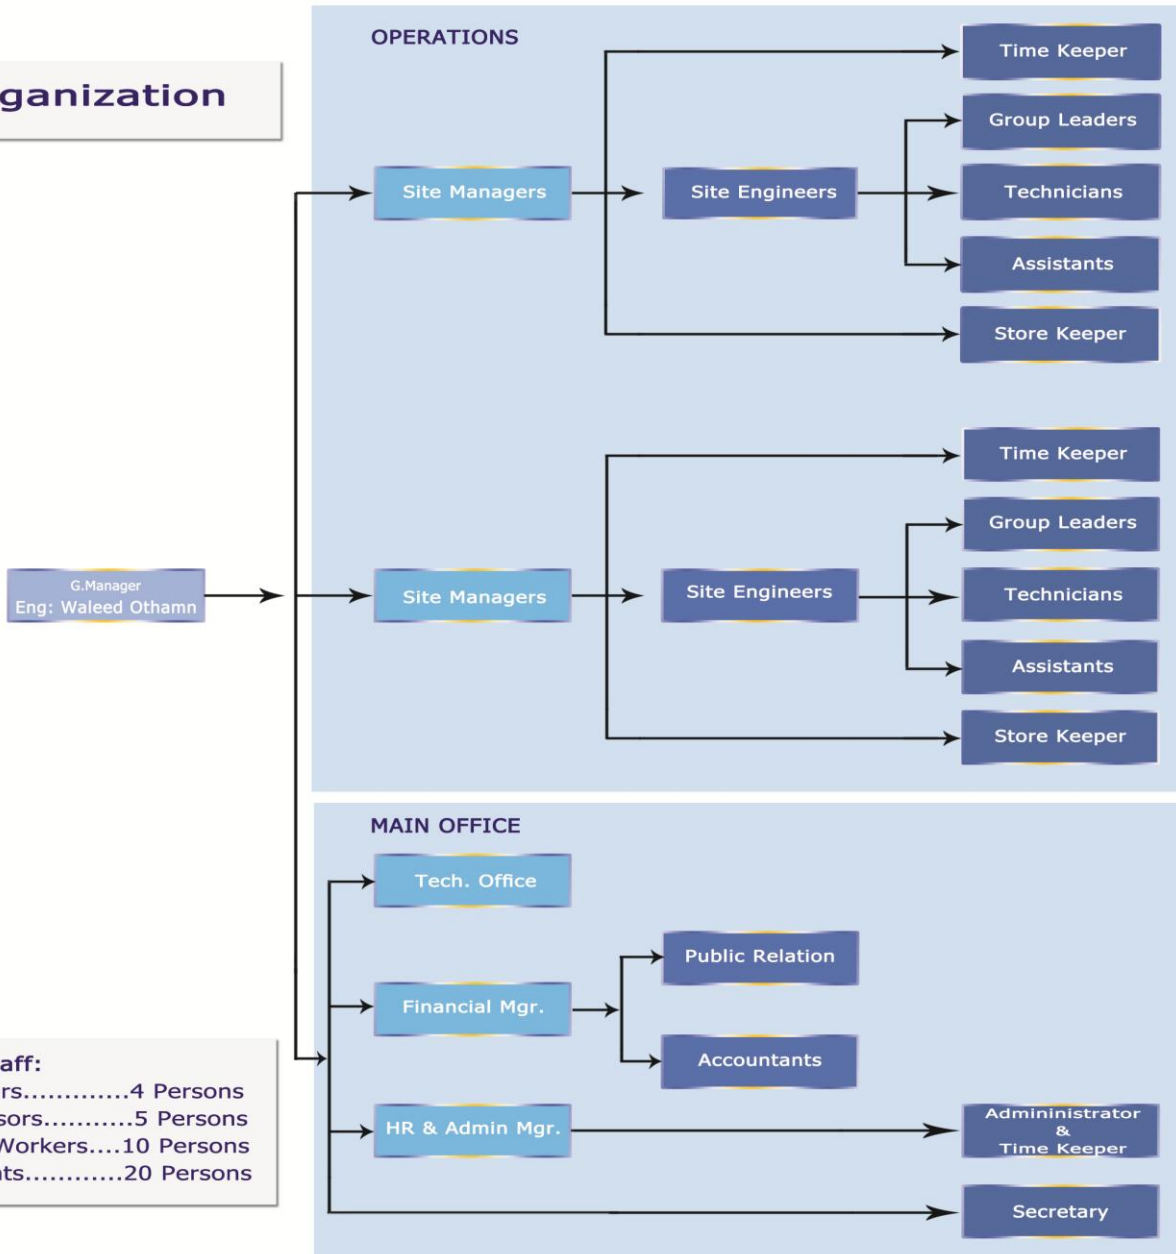

1. Hitachi Plant "Kuriemat Power Station" with total work value is **200000 EGP.** under supervisions of Mitsubishi "Japanese Company"
2. Bapteen with total work value is **57000 EGP.**
3. Ezz Iron and Steel Company in Dekhela EZDK "Flat Steel Electric Arc Furnace major shutdown" with total work value is **330459 EGP.** under supervisions of Danili "Italian company"
4. Ezz Iron and Steel Company in Dekhela EZDK "Bar mill plants revamping and new equipment installation" with total work value is **2769913 EGP .** under supervisions of Danili "Italian company"
5. Suez Company for Fertilizer Production with total work value is **149997.5 EGP.** under supervisions of AV Technology "Indian company"
6. Fire alarm system installation in Jouten Plant Ismailia city with contract value of **50000 EGP** and total work of **95000 EGP.** under supervisions of ECG "Engineering Consultant Group"
7. Suez Iron and Steel Company with total work value **11000 EGP**

8. Ezz Iron and Steel Company in Dekhela EZDK "Fume Dusting Plants" under construction with total value of 1200000 EGP until now.
9. Air Liquid (France company) "Segma Alex & PortSaid" full installation and supplying for Air separation Plants station with total value 2000000 EGP until now .
10. ALEXFORM (Forming Steel Plant) full installation for machines & lighting & crane plant with total value 47000 EGP until now.
11. Many of the Maintenance works plants (EZZDK-Anjoum - Kobash).

Building field

1. Palm Hills North Coast "Road lighting installation" with total work value is **100000 EGP**.
2. France cultural center under Lotus group supervision with total work value 93000 **EGP**.

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

شكر وتقدير

تتقدم كلية الزراعة - جامعة الإسكندرية ، ممثلة في مركز الطاقة المتجددة
بقسم الهندسة الزراعية بالشكر والتقدير إلي السيد الأستاذ/ وليد عثمان - شركة
طيبة للتركيبات الكهربائية علي المشاركة الفعالة لشركتكم في عمليات التركيب
للنظام الهجين من الطاقة المتجددة (الطاقة الشمسية وطاقة الرياح) بموقع مشروع
هريس بوادي النطرون والتابع لكلية الزراعة.
حيث شاركت شركتكم العريقة بفريق عمل ناجح في التوصيلات الكهربائية
لأجهزة التحكم بتقنية SMA وتركيبات الخلايا الكهروضوئية وتربينة الرياح، كما
أشاد خبراء الاتحاد الأوروبي بكفاءة فريق العمل الممثل لشركتكم في نجاح وإتمام
العمل علي أكمل وجه.
إن مساهمة شركتكم (بدون مقابل) في إتمام تنفيذ هذا العمل إنما ينم عن وعي
شركتكم بأهمية البحث العلمي في مجال الطاقة المتجددة والمحافظة علي البيئة.
ونحن إذ نشكر لسيادتكم حسن تعاونكم مع مركز الطاقة المتجددة بكلية
الزراعة - جامعة الإسكندرية، نتمني لشركتكم دوام التوفيق والنجاح.

History:

Company was established in Feb 2008 in Egypt, by Eng:Waleed Othman the electrical construction manager of (Hitachi Plant a Japanese heavy industrial services company).

Vision

Our vision is to become "One of the Leading Companies" in the heavy industrial in Egypt and Middel East. this vision is part of the "Taiba Spirit"

Taiba has a two business divisions: Electrical installation & Electrical maintenance applicable at the following heavy industrial felids:-

- Steel plants
- Air separation plants
- Enviromental preservation systems.
- Fertilizer plants
- Water treatment
- Power plants

TAIBA

Cable tray fabrication and installation by using a very high qualified technicians

TAIBA

MV cable laying, LV cable laying and control cable laying with qualified Manpower and standered Tools

TAIBA

Install and Assembly MV Trans-
formers with a high qualified
Riggers and suitable Lifting
equipment

Install & Assembly all MV panels ,
LV distribution panels, PLC panels
and local panels

TAIBA

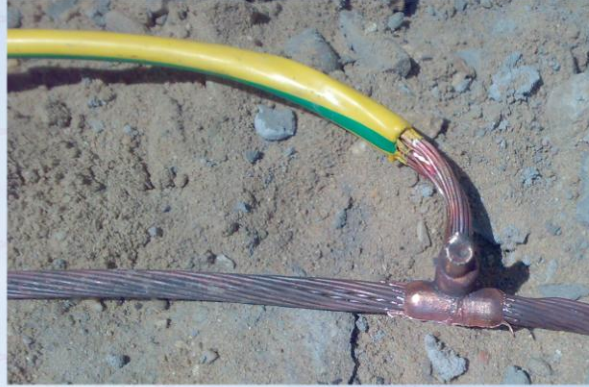

MV & LV connection by using hydraulic terminal press machine

TAIBA

Control cable connection inside PLC panels and local control panels by using manual and standard press tools.

Installation for all Grounding and Lightning protection systems

Installation for Electrical systems inside adminastration building and control buildings
